

Whole School Plan for

SPHE

Social, Personal and Health Education

■ Title

Social, Personal and Health Education Whole School Plan

■ Introductory Statement and Rationale

(a) Introductory Statement

(b) SPHE was identified as a target area for SSE in the academic year 2018/2019

The staff of Oylegate N.S. formulated this school plan for SPHE, in consultation with our Board of Management and our Parents, as we believe that SPHE is a shared responsibility and their contributions and involvement will be essential to the effective implementation of the SPHE programme in the school.

(c) Rationale

Aspects of SPHE have been taught in Oylegate N.S. for many years through various programmes and initiatives such as Stay Safe, Walk Tall, Relationships and Sexuality Education and through our involvement in the Health Promoting Schools Initiative. It has also been taught through integration with other subject areas such as Physical Education, Religion, Geography, etc. However, we wish to formalise our teaching of SPHE and plan for it on a whole school basis.

■ Vision and Aims

(a) Vision:

(Each staff member could consider what do they hope SPHE will achieve for the pupils and then finish the statement: SPHE in OYLEGATE NS should ... and these sentences or an amalgamation of these sentences could be used to reflect the school's vision for SPHE. The Teacher Guidelines for SPHE, pp. 2-3, or a school's Mission Statement could be reflected upon to support this process)

(b) Aims:

The children of Oylegate NS should be enabled to achieve the aims outlined in the SPHE curriculum, which include:

- to promote the personal development and well-being of the child
- to foster in the child a sense of care and respect for himself/herself and others and an appreciation of the dignity of every human being
- to promote the health of the child and provide a foundation for healthy living in all its aspects
- to enable the child to make informed decisions and choices about the social, personal and health dimensions of life both now and in the future
- To develop in the child a sense of social responsibility, a commitment to active and participative citizenship and an appreciation of the democratic way of life
- to enable the child to respect human and cultural diversity and to appreciate and understand the interdependent nature of the world

■ **Content of Plan**

Curriculum:

1 Strands and Strand Units:

The curriculum is delineated at four levels—infant classes, first and second classes, third and fourth classes, and fifth and sixth classes—and is divided into three strands: Myself, Myself and others, and Myself and the wider world.

Each of these strands is further subdivided into a number of strand units or topic areas that contain particular objectives.

Oylegate NS will teach aspects of all three major strand units each year and strand units will be chosen in such a way that the child will receive a comprehensive programme in SPHE over a two year period. Oylegate NS have created this timetable to reflect this approach:

| Strand | Strand Units (Year 1) | Strand Units (Year 2) |
|-----------------------------------|--|---|
| Myself | <i>Self-identity (Sept.–Oct.)</i> | <i>Safety and Protection (Jan-Feb)-Stay Safe</i> |
| | <i>Taking care of my body(Jan-Feb)</i> | <i>Making Decisions (March-April)</i> <i>*This strand unit is for third to sixth only. Infants to second complete the Safety Issues section of Safety and Protection</i> |
| | <i>Growing and Changing (Mar-April)</i> | |
| Myself and others | <i>Myself and My Family (Nov.-Dec.)</i> | <i>My friends and other people (May-June)</i> |
| | | <i>Relating to others (Sept-Oct.)</i> |
| Myself and the wider world | <i>Developing Citizenship (May-June)</i> | <i>Media Education (Nov-Dec.)</i> |

2 Contexts for SPHE:

SPHE will be taught in Oylegate NS through a combination of the following contexts:

1. Positive School Climate and Atmosphere

Oylegate NS has created a positive atmosphere by:

- building effective communication
- catering for individual needs
- creating a health-promoting physical environment
- developing democratic processes
- enhancing self-esteem
- fostering respect for diversity
- fostering inclusive and respectful language
- developing appropriate communication
- developing a school approach to assessment

2. Discrete time for SPHE

SPHE is allocated ½ hour per week on each teacher's timetable in Oylegate NS. However teachers may allocate 1 hour per fortnight to allow for more indepth exploration of a strand unit.

3. Integration with other subject areas and Linkage within SPHE

Teachers will endeavour to adopt a thematic approach to SPHE by integrating it with other subject areas such as Language, Geography, History, Religion, Visual Arts, Physical Education, etc.

Themes/Projects such as Healthy Eating Week, Friendship Week, Agri-Awareness, Healthy Heart Week, Lenten Campaign, etc. will also be explored.

3 Approaches and Methodologies:

Oylegate NS believe that the approaches and methodologies used in SPHE are crucial to the effectiveness of the programme. Active learning is the principal learning and teaching approach recommended for SPHE, therefore we will endeavour to teach SPHE using a variety of strategies which include:

- drama activities
- co-operative games
- use of pictures
- photographs and visual images
- written activities
- use of media
- information technologies and looking at children's work

4 Assessment:

Assessment is a central part of the everyday learning and teaching process in SPHE. It can provide valuable information on the child's progress and on the effectiveness and suitability of the programme and the teaching methods being used.

Oylegate NS uses the following recommended informal tools for assessment in SPHE:

- *Teacher observation*
- *Teacher-designed tasks and tests*
- **Portfolios and projects**

Each child will keep an SPHE Scrapbook/Copy and this will be used to assess a child's progress in SPHE. Each year the child will be given a teacher-designed task or test related to the strand units taught, and the scrapbook will be added to cummulatively during the child's schooling. Finally, an informal "graduation ceremony" will be held in 6th class when the child will receive their scrapbook as a record of their work in SPHE during their schooling in OYLEGATE NS.

5 Children with Different Needs:

Teachers will endeavour to adapt and modify activities and methodologies in SPHE to encourage participation by children with special needs. The learning support and resource teachers will supplement the work of the class teachers where necessary. Oylegate NS will liaise with trained professionals/appropriate agencies when dealing with sensitive issues such as bereavement or loss to ensure that the children involved are fully supported.

6 Equality of Participation and Access:

Oylegate NS recognises and values diversity, and believes all children are entitled to access the services, facilities, or amenities that are available in the school environment. Ours is a *mixed-sex* school and we endeavour to challenge traditional stereotypes and ensure that equal opportunities are given to boys and girls to participate in discussion, debate, presentation, etc. Oylegate NS is under *Roman Catholic school* management, and we endeavour to provide for *Members of Travelling community, Children with disabilities, Families with literacy difficulties, Children who are learning English as a second language.*
